

STAR & SHIELD SCHOLARSHIP

History

The Star & Shield Scholarship was established to provide the financial means for a participant in the field of fire investigation to attend the training conference, who would not otherwise have had the opportunity to attend the training. Those who are actively engaged in some phase of fire investigation or the administration of justice at the time they apply is encouraged. The scholarship is awarded on an annual basis. The scholarship covers the cost of the registration. The applicant is responsible for all other associated fees (transportation, housing and food). Applications should be forwarded to the Chapter awards committee no later than Sept 30th.
